

BAY AREA PET ADOPTIONS NEWS

SAFE PLACE FOR PAWS - CAPITAL CAMPAIGN

An animal shelter without kennels cannot fulfill its mission.

Bay Area Pet Adoptions rescues hundreds of dogs and cats every year. This has been our primary mission for more than half a century, but that mission is now in jeopardy. Our kennels – now more than thirty years old – are structurally failing. Many are no longer safe to house animals waiting for a home, and more will fail soon. Left unrepaired, we will be unable to care for dogs while they await adoption.

We are proud of the work our shelter has done in saving pets' lives, so we are asking for your help in continuing this critical mission. In order to renovate failing kennels, we are introducing the **Safe Place for Paws Capital Campaign**.

Our shelter, located in San Leon, provides kennel space for large and small dogs, but the need has increased over the years, and particularly during the COVID-19 pandemic. The **Safe Place for Paws campaign** will allow us to renovate aging kennels, and will enable us to accept and house more dogs needing a safe place until they are adopted.

Our **Safe Place for Paws** goal is to raise \$300,000 to renovate and replace kennels in both the large and small dog kennel buildings. A generous gift of \$150,000 has already been donated, so we are asking for your help in raising the remaining funding needed to complete the project. Our work will be completed in phases, with the replacement and renovation of large dog kennels first, followed by the small dog kennels.

We are offering donors the opportunity to receive permanent, public recognition at several funding levels. Please view our sponsorship web page www.BayAreaPetAdoptions.org/mark-your-spot/ for more information on these opportunities. We also encourage individual donors to contact their employers about potential Matching Gifts programs. Donations may be made using the donor form on the back or by submitting your information online.

If you have questions, please contact our Board Members at BOD@BayAreaPetAdoptions.org.

Thank you for your consideration of this important request, and help us continue to be a Safe Place for Paws.
